Mr. John Horsthuis,
Robinsons
Ballapaddag,
Cooil Rd, Braddan.

Dear John,

It was very generous of you to give Cherry Nicholson such a wonderful basket of fruit, together with two bowls of freesias for our fund-raising evening. It certainly increased our raffle sales, and the lucky recipients will be able to have their 5-a-day for many days to come!

It was a very successful evening, and even the weather was quite kind to us, especially as we had called the event "Summer Sundowners". We raised a very rewarding £1745. Thank you very much for your contribution.

Yours sincerely,

Julia North
