Dear Sir

We are writing to you to thank you very much for your generous donation towards the Ballaugh School Mhelliagh. It is greatly appreciated.

The Mhelliagh was a great success, with all those attending having an excellent evening's entertainment. We were very fortunate to have received so much support from the pupils, their families, teachers and local businesses and at the end of the evening had raised a record £2,007.80, which for a small school like ours is an incredible amount.

In the past, money we have raised has been spent on various things, including staging, digital cameras and IT equipment, sports equipment and playground toys. This year it has been agreed that the money is going to be spent on new reference books for our older pupils, whilst the younger children in Reception and Key Stage 1 will benefit from a newly created library.

With the support of people like yourself we are able to continue giving the children of this school some wonderful additional facilities and we thank you once again.

Yours faithfully

Mr. Richard Clark
