Dear Sir/Madam

Young Carers' Festival 2008

I am writing to thank you for your recent participation in this year's Young Carers' Festival.

Without the dedication and support of local businesses and organisations the festival would not be possible, feedback from the event has been fantastic and this is partly due to your efforts on our behalf.

Over 250 Young Carers from the Isle of Man and the United Kingdom attended this year and those few days of respite from their caring responsibilities will have special meaning to them all. Crossroads Caring for Carers (Isle of Man) will be running the event next year and hope that with the help of our local community it will be just as successful.

Many thanks and I hope to see you all next time.

Yours sincerely

Jackie Betteridge
Chief Executive Officer
