Dear Sir,

I would like to thank you for your kind donation to 1<sup>st</sup> Malew Scout Group for collecting litter at Ballapaddag. It was very successful and the young people said they would be happy to repeat the activity.

We will put the money towards the replacement of the Scout headquarters roof. We intend to replace the roof using natural slate to help enhance this historic part of Ballasalla. We hope the builders will start in the next month and the building will be weatherproof before winter.

This project will enable us to continue our work with young people providing ongoing learning opportunities in a voluntary informal setting, using the Scout and Duke of Edinburgh programmes.

Yours sincerely,

Neil Young  
Group Scout Leader
