Dear Sir/ Madam

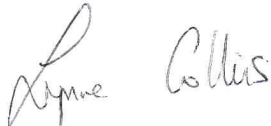

Flower Festival 6-13 July 2008

I would like to take this opportunity of thanking you for the voucher you donated to us for use during the Flower Festival. We put the money towards the goods we purchased from you to make soup during the week.

We had a great week with over 1200 people coming into the hall to view the arrangements.

Thank you again for your assistance in this matter, it is really appreciated and not taken for granted.

Yours sincerely

Lynne Collins
